

2010 Webinar Series for Disaster-Resilient Homes

SAVE THE DATES SAVE THE DATES SAVE THE DATES

The Resilient Home Program is proud to announce the launch of its 2010 webinar series on resilient homes. Join us for these **free**, 90 minute webinars that will address some of the top educational needs of homeowners and professionals in housing. The first two webinars in our series are co-sponsored with the Federal Emergency Management Agency (FEMA) and will be:

#1. Home Evaluation after Storms and Floods

March 9, 2010

10:00 AM to 11:30 AM (Eastern)

Presented by

Bill Coulbourne, Director of Wind and Flood Mitigation

Applied Technology Council (ATC)

Technical Contractor for FEMA

#2. Flood Resistant Materials and Mold Prevention

March 30, 2010

10:00 AM to 11:30 AM (Eastern)

Presented by

John Squerciati, Senior Associate

Dewberry and Davis, LLC

Technical Contractor for FEMA

And

Phil Mitchell and Dave Tilotta, Associate Professors

Department of Wood and Paper Science

North Carolina State University

NC STATE UNIVERSITY

Web connections will be limited. If you would like to participate in any of these webinars, please let us know as soon as possible by sending an e-mail to:
